

Module VIII

OCFC India GAA Special

Module VIII is OCFC GAA's exclusive Learn and Earn Program — a structured, end-to-end pathway that takes you from your first day of Ground School all the way to a choice of fully funded Type Rating on an Airbus A320 or Boeing 737 Type-D simulator, with earning opportunity built in along the way.

FIRST OF ITS KIND · OCFC GAA EXCLUSIVE

What Is Module VIII?

First of its kind flight training organization in the world offering this pathway. This is an OCFC GAA exclusive.

THE PROGRAM HAS SIX STEPS

STEP 1

Ground School

Every pilot career starts with a strong theoretical foundation. In Step 1, do your Ground School in India.

Complete your Ground School at OCFC GAA in India over 6 months — Pursuant to DGCA / FAA / EASA syllabus.

Then head to OCFC USA for your flight training (PPL + CPL) or finish your PPL in India and proceed to OCFC USA for your CPL.

STEP 2

Flight School (PPL + CPL)

CHOOSE YOUR FLIGHT TRAINING TRACK:

MODULE II-A USA Standard Track (DGCA-Compliant)

Program	PPL → CPL → Multi Engine Rating
Total Flight Time	200 Hours + 25 Hours (10 Hours + 15 Hours)
Location	OCFC, USA

Duration	8 to 12 Months
----------	----------------

OR

MODULE II-B USA Fast-Track Program	
Program	PPL → CPL → Multi Engine Rating
Total Flight Time	200 Hours + 25 Hours (10 Hours + 15 Hours)
Location	OCFC, USA

OR

MODULE III Hybrid Program (India + USA)	
Program	PPL → IR + CPL + Multi Engine Rating
Total Flight Time	200 Hours + 25 Hours (10 Hours + 15 Hours)
Locations	OCFC affiliated FTOs in India (only PPL) + OCFC USA (CPL)
Duration	12 to 18 Months

STEP 3

Certified Flight Instructor With Instrument Rating

COMPLETE YOUR CFI + CFII:

MODULE V Certified Flight Instructor (CFI)	
Program	CFI + CFII
Location	OCFC, USA
Duration	3 to 5 Months

STEP 4

FAA to DGCA License Conversion

Your FAA to DGCA conversion can be completed either before or after your CFI and Instrument Rating. OCFC GAA guides you through the process at whichever stage works best for your timeline.

MODULE IV FAA to DGCA License Conversion	
Program	FAA to DGCA License Conversion
Locations	OCFC USA + OCFC affiliated FTOs in India
What's covered	DGCA written exams, skills test, documentation, and license issuance

OCFC GAA guides you through every step of the conversion process — from documentation to DGCA written exams to the skills test. You will not navigate this alone.

STEP 5

Accumulate 1,500 hours as a Flight Instructor

This is where the Learn & Earn begins.

After completing your PPL, CPL, CFI + CFII, and FAA to DGCA conversion, you are eligible to be employed as a Flight Instructor at OCFC GAA related institutions and earn 1,500 flight hours subject to local regulations.

Upto \$20/hr

OR EQUIVALENT

From OCFC GAA, for every hour you instruct.

Upto \$30,000

TOTAL OR EQUIVALENT

Reimbursement upon completing up to 1,500 hours as a Flight Instructor.

1,500 flight instructor hours is also the milestone that qualifies you to be eligible as an Airline Transport Pilot (ATP) license under FAA regulations.

You are not just a student here. You are a working professional building a career with enhanced qualification and potential income.

STEP 6

Choose Your Path

Get reimbursed or continue your journey.

Once you have completed 1,500 hours as a Flight Instructor and accumulated up to \$30,000 or equivalent, you have three options.

OPTION 1 Accumulate your 1,500 flight hours + Reimburse up to \$30,000 or Equivalent

Receive up to \$30,000 or equivalent from OCFC GAA. The money is yours. No conditions.

OR

OPTION 2 Use Your Earnings to Complete These Programs + Reimburse up to \$10,000 or Equivalent

Apply your \$20,000 toward the following two programs and complete your full airline-ready certification pathway — at no additional cost.
